working it at work

The very first time I ever saw Verily, she had just turned twenty she told me when we were working at this huge water park outside of Orlando. I had been there three years and she was a rookie. She told me that she applied for a lifeguard position but they told her that her chest was too big and that might create unwanted situations around the park if she was in a swimsuit. We chuckled when she told me. Now she's a ticket-taker on the morning shift and a "patrol-girl" until her shift ends around six in the evening. She didn't really have a uniform, just street clothes, so she could blend inconspicuously with the crowds. That's where I come in. I was the "patrol-guy" assigned to work, er, walk, with her. We were to look like a young couple out for the day at the park. It was a great job, but did get a little boring after a few hours in the hot sun. But it did give us the chance to be together, although she had other partners for the weekend.

Verily indeed did have a very nice chest. Probably one of the best I have seen in three years. I don't really know how women measure their boobs or what the figures mean, but Verily said she was a 36DD. All I knew is that they were two handfuls each, and they were firm enough for her to be without a bra sometimes, but not at work. On rainy days, the park would occasionally shut its doors, but we still had to

work. It was a relief from the relentless sun, and the management was pretty easy on us. As you guessed, one rainy day we had to clean up the park. Not just trash on the pathways, but in the bushes and behind the buildings. Verily wore a tank top and running pants and I was in a t-shirt and cargo shorts as we went in and out of every area that could hide even the smallest gum wrapper. During one extremely powerful, but brief, downpour, we waited under an awning commenting on how loud the drops sounded on the metal covering. I couldn't help but look at her pussy lips pushing their way against her shorts. They were quite pronounced. Quickly I realized my cock began to grow bigger and bigger.

Did I mention that her top had formed itself around her full boobs and her nipples were pushing out. Of course I didn't, I was too busy looking at her. We made eye contact for a brief moment, then her eyes dropped down to my cock and its stiffness. Her arm reached over and kinda pinched it, testing its hardness. With the other she lifted her soaked top and offered her boob to my touch. Yes, that's exactly when the downpour stopped and so did we. She smiled and said she'd like to get together tonight, if that was okay with me. Was it? Hell yeah! "Six, then?" she said, but what I heard was "Sex then?" Hell yeah!

Her place was on the other the other side of town. My mind got out of the gutter and I arrived at six. She was in a similar outfit as earlier, but dry this time. I had showered and shaved and trimmed the man bush, ready for action, I hoped. She had ordered a pizza that we devoured in ten minutes. Wasting no time, this time, she asked me if I was really as big at it seemed earlier today. I looked down at it starting to rise again and told her that it's hard to hide a nine inch cock when it wants up.

She said that she wanted to touch it there but it wasn't the place. As I was starting to respond, she cut me off saying she wanted to feel it now because I felt her boobs. So I pulled it out and her eyes got big as hell and a big smile came across her face. My cock was throbbing as she reached down and began tugging at my balls. I was going to tell her that she was going a little too fast, until I felt her teeth nip the head of my cock. I quickly looked down and realized she had my balls in one hand and her mouth fully wrapped around the head of my cock. I gave in slightly and pushed towards her mouth with my hips. I felt her teeth slightly dragging against my shaft as she ran her mouth it's entire length. I tried to slow her down again but all that came out of my mouth was a long moan.

.....

She moved her head back pulling her lips along my cock slurping and sucking as she went. My balls were still tightly grabbed within her hand as she reached the head and then she pulled at my balls as she engorged my swollen shaft again. I let out another moan. This was like no other blowjob I'd ever had before. She used my balls to control how close my cock was to her face. If I tried to pull back, she gripped my balls tighter and drew me into her mouth.

After just a few strokes, she must of known she had complete control of me. I began to move my hips causing my cock to pump in and out of her mouth. I was amazed at how much of my cock she was able to get into her mouth on each stroke. I could feel her fingers letting up on my balls, yet massaging them gently as she sucked away at my shaft. Her mouth felt so good, I didn't want to pull out anymore. Her hot moist mouth was causing me to have too much pleasure at this point. I wanted it to go on for hours. However, I knew that I couldn't last too long and that soon I'd fill her mouth with table-spoon fulls, no make that cup fulls my cum.

I was just enjoying the pleasure that Verily was thrusting on my cock. My pants were down around my ankles, her free hand held my hip

I was amazed at how much of my cock she was able to get into her mouth on each stroke.

as she worked away at my manly meat. I could feel her hand grasping at my butt cheeks as the other gently massaged my swollen balls.

As her mouth tightly gripped my cock and moved up and down it's length, I pushed my hips forward in response, knowing she wanted more of my cock in her mouth. I let out another moan of ecstasy as her fingers moved up the shaft of my cock, gathering moisture from her mouth. I felt her fingers slide past my balls and as she engulfed my cock in a giant stroke of her mouth I screamed with pleasure. Like a pro, she sucked away at my cock, while I moaned. I knew I was about to cum. I moved my hips forward and back trying to keep time with her motion. Our face fucking dance was about to cum to an abrupt end as I was about to explode. With a smack, she pulled her lips from my cock and the hand that once wrapped my balls began to stroke my cock in the same motion that was once her mouth.

Hot cum exploded from my cock, I'm sure it was all over her face. I felt her lips on my cock again as she massaged my balls, as if she were trying to extract every last drop of cum from my sack. I felt my knees go weak. "I gotta sit." I moaned. She giggled again and led me towards the sofa. She continued to stroke my now shrinking cock. Verily was smiling

and wiping slippery jizz from her face. "That was well worth it" she said. All I could do was smile. She leaned in and we locked eyes, then she leaned closer and I ran my hand up behind her head, pulling her face to mine. We kissed. I kissed her passionately for about a minute and as I did, I ran my hand up between her legs and caressed her pussy lips. I then whispered in her ear... "I want to fuck you, V..."

She laid back on the sofa and I pulled down her shorts. As I was doing that and pulling her top off, she fondled me back to full hardness. Her pussy was dripping wet and I put the head of my dick in. I went slow at first, but when more went in, she finally realized how big I was and she screamed out, "Damn, your dick is huge." I pushed it in a little more until I was balls deep in her, and pounded her harder and harder each time it went in. Verily pushed at my hips trying to ease them away as she screamed. Hearing her groan like that, I got into it more, making her cum, by my count, three times.

We spent the night together, with some little less frantic sex this time. Morning came and she had to leave by seven because she had to get her ticket booth ready for the day's crowds. My call time was at eight so I got an extra hour in bed, because no matter how hard I tried, I couldn't convince her to call in sick!

whitney's wonderland

Before we were married, my boyfriend and I got pretty drunk on champagne and started making out. Well, that led to us getting it on and after an hour of some heavy petting and great sex, we decided that we liked having sex with each other. We decided to get married so we could have sex without hiding from our folks. Now we're fucking almost every day in the most unusual places – like my ass!

Believe it or not, Devon and Bree were classmates. In acting class. Devon had a couple more years of it and decided to tutor Bree when she asked for help. One thing she did was to invite Oliver over for a reading but he walked in on the two of them playing with each other. They took over the situation and undressed him. Devon shoved her face in Bree's pussy and showed him how to lick it right. Devon also got her pussy munched on by Bree and they both sucked his cock. They took turns getting their pussies pounded. In the end, Oliver got his part right. Right into their waiting mouths.

BOOTY BOOTY BOOTY EVERYWHERE

TWO WRONGS MADE IT RIGHT

For the past ten short years I've been married to Jennifer, a great girl. We met in high school and married right after we graduated. Neither one of us had been with other people, sexually, so the urge to try someone new was strong, or at least it was for me. Halfway into our marriage, I told her that I wanted to try swinging but Jen was dead set against it.

Living in my frustration, I would constantly bring up swinging and tried to get her to consider it. "Please read about it or visit some websites." I would implore. She refused and my frustrations eventually led me into another woman's arms. She caught me after about two months because I was careless, or maybe deep down, I wanted her to catch me because I was in our house at the time. I tried to explain, which was difficult to do being caught naked with my cock in another woman. She ran out of the house in tears and came back the next day. I was sick with worry.

When Jen got home she explained that she drove to the nearby Hilton Hotel because she didn't know if she was going to come home that night or not. She didn't ask for a room right away, but sat at the bar to think things out. There was a guy there that started talking to her but she ignored him initially. "But he was persistent," she told me. "He was

in town for a contractor's convention technology convention and had been having trouble in his marriage. So we sat there talking."

She said that he offered to take her home, but invited her up to his room if she would like to come and continue the conversation there. Jen said she was nervous but he said to tell him the whole story, and so she went up to his room with only the intent of talking.

They talked for another couple hours, and he kept saying that she should get revenge. She said no and she wanted to go home but he said she had gotten him hot and he needed to kiss her. She tried to leave but he was too strong. She said no

and he reminded her how I had cheated and to my amazement she let him touch her. She decided to let him unbutton her blouse and bra and suck on her nipples. He then wanted to go to the bed but she said no. She said she was feeling confused, and a little scared.

Then, to my surprise, she said she told him that she would jerk him off and then she would leave. He took it out and it was huge, she said. Much bigger than mine. He put her hand on it and she then stroked it. She rubbed his balls and made him last a long time by making her squeeze it every time he was going to come. She said he kept trying to force her mouth on it but she kept pushing away.

For all you guys out there... Last night my babe let me fuck her ass with a dildo in her pussy and it was the best thing my cock has felt in a long time. Her tight ass was pleasure enough, but when she put that big vibrator in and turned it on, I felt something like nothing before. It made me cum so hard, the stuff came flowing out in a river.

— Leo, Milwaukee

Eventually, he shot a huge load all over her chest. She then went and cleaned up.

She said that was all that happened. He did not go any further and neither did she. Jen and I talked about it and her hurt feelings for another hour. I kept saying that it was okay and I'm glad she was not hurt and was home. I asked her what she wanted to do today and she said "Let's go to bed, baby, I want to fuck you." With an emphasis on – you!

In our bedroom, we fucked for hours that night. She asked me if I would stop the affair if she became more open. I said yes but what did she mean by more open. She said the guy and her had talked for hours and he wanted to meet her the next night but she said no, not without my husband. He agreed. I guess time will tell where we from here, and so will Jennifer.

– Vincent, Trenton

BIG, BIGGER, MONSTER

After six yers of fucking average sized-dicks, I finally got a taste (literally and figuratively) of a big one, Not just a big one, but a twelve incher. I met this guy through a girlfriend who said his cock was the talk of the company they worked at. Because of all the gossip, he tried to stay away from it and all the women at work.

We were introduced on the phone and met over lunch While he was okay looking, he had a nice personality, and – oh fuck – does he have a big dick!?! I had a feeling that he was interested in me, but I had never had anonymous sex before.

We arrived at his work first and he lingered in the taxi a little to thank me for a nice lunch break and gave me his business card with his number. I said goodbye and he got out the cab and went in. I was on fire sexually and when I got home I stripped off my clothes and masturbated in the bathtub imaging his extra large cock was inside me.

The next day was Saturday and I left him a slightly frantic voice message explaining that I really wanted

to be fucked by a guy with a very large cock. If that was him, then he could call me back. If he didn't have a **BIG** one, then thank you, but no thank you, this time.

Within ten minutes I received a call back that he would be happy to fuck me. He said that he never got any complaints about his size, and the last time he measured, it was over 11 inches. Aware that this was a rather stupid and dangerous thing to do, I was too far gone to change my mind now. I called him and got his address. I told him that it would be my first 'monster' and that I may change my mind when I saw it. He seemed genuine and understanding and sensible so I decided to take the risk.

I was there in half an hour, and my heart was pounding with anticipation, excitement and probably fear. I rang the doorbell. He answered it in jeans and a t-shirt. He invited me in and offered a drink. I picked up the conversation from my phone message and tried to make it clear that what I really wanted to experience, and what I had never experienced, was a extremely huge hard cock.

I followed him to his room. He invited me to sit on the bed. I sat, and he sat next to me. I don't remember what he said at this point, but I was not interested in talking, so I put my hand between his legs and touched his bulge.

This was exhilarating and I quickly slipped my hand into his shorts, taking out his considerable man meat.

I gulped as I held this 11-inch monster cock in my hand. It was teasing my mind with the thought of this dick in my mouth. I kissed the tip of his now rock hard penis. I licked up the shaft from his balls and slowly opened my mouth wide for him. Closing my mouth around his cock was an intensely scary feeling. I sucked on his cock and still wanted to feel his hugeness inside my aching pussy.

I stood up in front of him and pulled off my clothes and let him look at me. I came closer and sat slowly on his cock. Thank god I was so wet that it made it easier. I eased my pussy down on it as he fondled my boobs. It felt wonderful, much better than I expected. It filled me full and I could feel its sides against my love walls. I rode him for ten long minutes before he had to come out to cum. He was indeed BIG and I was in monster heaven.

— *Lisette, Boston*

PARTY TILL YOUR BOOTY HURTS

The party started breaking up and Ian came up to me and said it was too bad I wasn't there for all of it. I put a smile on my face and said there was always the next one. After the last guest was gone, I told my wife Erin to leave all the glasses and

She wrapped her legs around me and pulled me to her. I drove my cock into her harder, and the harder I fucked her the louder she moaned.

And then she screamed and her pussy muscles clamped my cock and her nails dug into my back as she had her orgasm. I pulled out and rolled her over on her tummy. I placed one of the pillows under her hips, raising her butt to the

perfect height. I fingered her pussy and used her juices to moisten her anus. Slowly I rubbed around the soon-to-be violated hole and felt her hips respond.

I quickly dipped my cock back into her pussy then headed it straight for the butt hole. The soft light side-lit the action as I inserted, first the head, and then half of my cock in before pulling it back and then in again. My cock slid in easily and I left it there for a minute. Her hips responded saying fuck her harder. I obliged using my knees for leverage to pund deep inti her butt. I felt myself cumming and closed my eyes as my cock did its thing in her. I rolled over and we fell asleep until the next party.

— *Solomon, deep in her ass*

bottles, There was plenty of time tomorrow to deal with the house. Right now I wanted to drag her off to our bedroom because I get really lusty when I drink. She does too, but doesn't last too long after she stops with the drinks.

When we got to the bedroom I turned the overhead light off and turned on the one in the bathroom, closing that door to just 3 inches wide. The light that came into the bedroom was ethereal and just low enough that it made everything look sexy. We quickly took off our clothes and she came over and kissed me. I fondled her boobs and she reached down to grab my cock. It was almost all the way up, but her touch took it to the max. Erin pulled it back and forth a couple times as I moaned loudly.

I picked her up and set her down on the bed and moved between her legs. I lined it up with her wet pussy and as I inserted myself she threw her head back in pleasure. She was a marvelous piece of ass but didn't last too long after drinking so I had to take advantage of her now.
